Stability You Can Rely On

TRS-Care Standard **premiums have remained unchanged for nearly a decade**, providing steady costs you can plan around.

That stability adds up. By keeping TRS-Care Standard premiums flat, many retirees **enjoy significant savings** compared to other available health plans — that's money that stays with you.

*Nearly a
decade of steady
premiums.
Real savings you
can count on.*

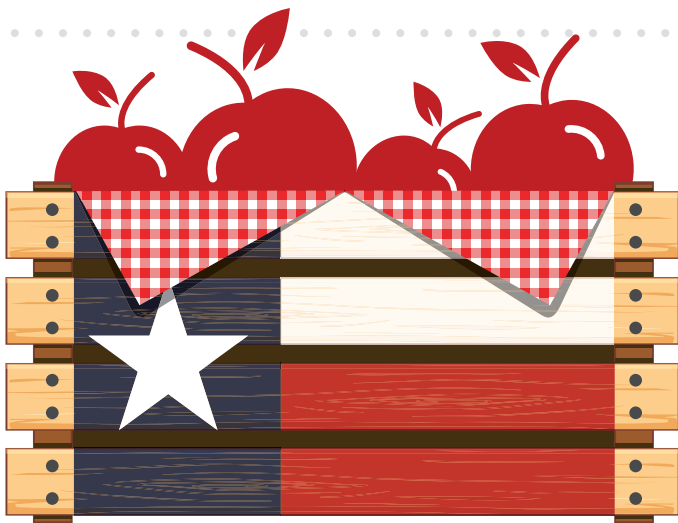

Dental and Vision Coverage That Fits Your Life

Enroll in either optional **TRS-Care Dental** or **TRS-Care Vision** quickly and easily through the MyTRS portal—no paper forms required. Choose coverage that fits your life, whether dental, vision or both. With flexible options and full control each year, you can update your coverage as your needs change. If you're already enrolled, no need to do a thing! You'll stay enrolled until you tell us otherwise.

The enrollment window for the coverage year that starts Jan. 1, 2027 is from Oct. 1 - Dec. 7, 2026.

SAVE THE DATES

TRS-Care Health Education Fairs and webinars are coming! TRS will host free in-person and online events covering your 2027 TRS-Care benefits this fall! Visit trs.texas.gov/health-benefits/events or scan the QR code to register and get detailed information. **Come speak with your TRS and health plan representatives in person or online!**
